

Fishing

West & Middle Crooked Lakes are part of the famous Mantrap chain of lakes - the very heart of Northern Minnesota's finest fishing country. West and Middle Crooked Lakes include Northern, Walleye, Bass, and Pan fish. You can fish right off the dock at the resort or venture out into the many inlets on these quiet lakes. Quite often you will find yourself enjoying our lake's tranquil beauty without another boat in sight.

Hunting

Happy Days Resort is located in the Paul Bunyan State Forest which is good grouse, partridge, and especially deer country. Our deer hunters have both a great time and great success. We are open for all these seasons and more.
